I, \_\_\_\_\_, being duly sworn, depose and say:

1. I had Significant Occupational Exposure to asbestos. I understand the phrase “on a regular basis” as used here means every workday for a substantial part of the workday. I state that for at least five years time, out of all the years I worked, I (*write your initials indicating one or more of the following*):

- \_\_\_\_\_ a. personally handled raw asbestos fibers on a regular basis
- \_\_\_\_\_ b. personally fabricated asbestos-containing products so that in the fabrication process I was exposed on a regular basis to raw asbestos fibers
- \_\_\_\_\_ c. personally altered, repaired or otherwise worked with an asbestos-containing product such that I was exposed on a regular basis to asbestos fibers
- \_\_\_\_\_ d. was employed in an industry and occupation such that I worked on a regular basis within ten to twenty feet of workers engaged in the activities described in (a), (b) and/or (c)

2. The workplace exposure to asbestos I described in Paragraph 1 above ***was not*** simply working at a factory or other facility where pipes or other parts of the building or machinery were insulated with asbestos that was altered, repaired, or otherwise worked with ***once in awhile***. Either I or other workers within ten to twenty feet of me handled raw asbestos or fabricated, altered, repaired or otherwise worked with asbestos-containing products ***every workday for a substantial part of the workday for a total of at least five years all together***.

3. The workplace(s) where I had Significant Occupational Exposure to asbestos, and the jobs I performed there were:

Start Month/Year	End Month/Year	Occupation	Facility	City, State

4. If the only part of Paragraph 1 that I initialed was 1(d), because I did not personally work with raw asbestos or asbestos-containing products on a regular basis but worked within ten to twenty feet of workers who did, the tasks those workers performed on a regular basis were:

---

5. I understand that trust funds that have a limited amount of money to pay workers who were injured by asbestos may rely on this affidavit and other required submissions in deciding how much money to pay me to settle my asbestos claim. Under penalty of perjury, by signing this I certify that all of the representations I make in this affidavit are true and accurate.

6. (Any additional comments or statements; use additional paper if necessary):
