**ALTERNATIVE DISPUTE RESOLUTION PROCEDURES FOR NARCO
ASBESTOS TRUST CLAIMS**

Pursuant to Section 4.10 of the North American Refractories Company Asbestos Personal Injury Settlement Trust Distribution Procedures (as may be subsequently amended, the “TDP”), the North American Refractories Company Asbestos Personal Injury Settlement Trust (the “Trust”) hereby establishes the following Alternative Dispute Resolution (“ADR”) procedures to resolve matters regarding NARCO Asbestos Trust Claims that may be submitted to ADR under the TDP. All capitalized terms herein shall be as defined and/or referenced within the TDP.

I. OVERVIEW

A. General

The American Arbitration Association (“AAA”) will administer these ADR procedures as the “ADR Administrator.” The Trust will pay the fees of the ADR Administrator. The AAA contact person for the administration of these ADR procedures is Bryan Corbett, Manager of ADR Services, American Arbitration Association, Labor, Employment & Elections, 2200 Century Parkway, Suite 300, Atlanta, GA 30345, phone: 1-866-888-5293, fax: 877-395-1388, email: CorbettB@adr.org.

These ADR procedures shall not be construed as imparting to any claimant any substantive or procedural rights beyond those conferred by the TDP. In the event of any inconsistency between these ADR procedures and the TDP or the Trust Agreement, the TDP and the Trust Agreement shall govern.

The claimant may elect either binding or non-binding arbitration. Only after either the claimant or the Trust rejects a non-binding arbitration award may a claimant commence a lawsuit in the tort system.

If the claimant elects binding arbitration, then the claimant and the Trust waive their respective rights to seek a jury trial with respect to the NARCO Asbestos Trust Claim as set forth in the TDP.

The Trust may not decline the claimant’s election of either binding or non-binding arbitration, but reserves all rights to reject any award in a non-binding arbitration proceeding.

B. Initiation of ADR

To initiate these procedures, the claimant must submit a written Demand and Agreement for ADR to the ADR Administrator using the form attached to these ADR procedures (see Attachment A). In the Demand and Agreement for ADR (hereafter, "Demand for ADR"), the claimant shall elect binding or non-binding arbitration.

The ADR Administrator shall within three (3) business days notify the Trust and the Trust's claims processor upon receipt of a Demand for ADR by a claimant.

Within three (3) business days of receipt of notice from the ADR Administrator of a Demand for ADR, the Trust's claims processor will provide a complete copy of the claimant's claim file to the Trust. The claimant's Social Security number shall be redacted from the claim file documents.

Within ten (10) business days of receipt of notice from the ADR Administrator of a Demand for ADR, the Trust will send the claimant a copy of the claim file and a Certificate of Completeness to be executed by the claimant or the claimant's legal representative (see Attachment B). The Trust shall include in the claim file any materials or information it believes supports its valuation and/or disallowance of the claim and any other information that it intends to rely on in the arbitration.

Within thirty (30) days of receipt of the claim file, the claimant may submit to the Trust additional information to be included in the claim file. If the claimant chooses to submit additional information for the claim file, the Trust will have a right within 30 days thereafter to submit additional information in rebuttal to the new information the claimant provided. The claimant may then submit rebuttal information for the claim file within 10 days of receipt of the Trust's additional information, the Trust may submit further rebuttal information within 10 days of receipt of the claimant's rebuttal information, and so on and so forth. When the party with the opportunity to submit rebuttal information declines to further supplement the claim file within the applicable deadline, then the claimant shall provide to the ADR Administrator a signed copy of the Certificate of Completeness. The ADR process will not proceed until the ADR Administrator has received the signed Certificate of Completeness. The Certificate of Completeness shall verify that all information to be considered in the arbitration has been provided to the Trust.

Within three (3) business days of receipt of the Certificate of Completeness, the ADR Administrator shall provide a copy of the Certificate of Completeness to the Trust. If the claimant did not submit to the Trust additional information to be included in the claim file, then within five (5) business days after it receives the Certificate of Completeness, the Trust shall execute and send to the ADR Administrator a Certificate of Accuracy (see Attachment C) and a copy of the

claim file. If the claimant did submit to the Trust additional information to be included in the claim file, then within forty-five (45) days after it receives the Certificate of Completeness, the Trust shall either (a) execute and send to the ADR Administrator a Certificate of Accuracy (see Attachment C) and a copy of the claim file (as supplemented) or (b) make a new Individual Review offer to the claimant instead of proceeding to ADR.

II. PROCEDURES GOVERNING NON-BINDING AND BINDING ARBITRATION

A. Election by the Claimant

Under these ADR procedures, the claimant will have elected binding or non-binding arbitration at the time of the submission of the Demand for ADR.

B. Panel of Arbitrators

A panel of arbitrators shall be named by the ADR Administrator and may be supplemented by the Trust with the consent of the Trust Advisory Committee (“TAC”), the NARCO Asbestos Future Claimants Representative (“FCR”) and Honeywell International Inc. (“Honeywell”). The ADR Administrator shall maintain and keep the rotating list of arbitrators by region. Arbitrator assignments shall be made on a rotating basis from arbitrators located in the region of the Claimant’s Jurisdiction.

C. Selection of the Arbitrator

1. No more than fifteen (15) days after receipt of the signed Certificate of Accuracy, the ADR Administrator shall screen for conflicts and select three potential arbitrators from the panel of arbitrators kept by the ADR Administrator.

Within five (5) business days of selecting the potential arbitrators, the ADR Administrator shall notify the potential arbitrators of their potential selection and shall provide the parties with the names of the potential arbitrators. Within five (5) business days of receipt of the list of potential arbitrators, both the claimant and the Trust may select, and identify to the ADR Administrator, one potential arbitrator to be stricken from the list. Within three (3) business days of the earlier of (i) receipt of the claimant’s and the Trust’s strikes or (ii) the expiration of the five (5) business day period of striking arbitrators, the ADR Administrator shall appoint the arbitrator. If the claimant and the Trust each strike a different arbitrator, the remaining arbitrator will conduct the arbitration. If either the claimant or the Trust, or both, fails to exercise the right to strike an arbitrator from the list of potential arbitrators or strike the same arbitrator, the ADR Administrator shall appoint from those potential arbitrators remaining the arbitrator next in rotation on the panel.

2. Any appointed arbitrator shall execute and submit to the ADR Administrator a Conflicts Disclosure and Arbitrator's Oath (see Attachment D). Upon objection of a party to the arbitrator's continued service, the arbitrator shall determine whether to recuse himself or herself from the arbitration. If either party disagrees with the recusal decision of the arbitrator, the party may petition the AAA for relief.

If a potential arbitrator is unable or unwilling to serve or recuses himself or herself or is removed by order of the AAA, then a replacement selection will be made by the ADR Administrator by following the same process set forth above.

D. Limitations on Awards in Binding and Non-binding Arbitration

In the case of a non-Extraordinary Claim involving Disease Level I or II, the arbitrator shall not return an award in excess of the Scheduled Value for that Disease Level as provided by Section 4.3(b)(3) of the TDP. In the case of a non-Extraordinary Claim involving Disease Levels III-VII, the arbitrator shall not return an award in excess of the Maximum Value for the appropriate Disease Level as provided by Section 4.3(b)(3) of the TDP, and for an Extraordinary Claim involving one of those Disease Levels, the arbitrator shall not return an award greater than the maximum extraordinary value for such a claim as provided by Section 4.4(a) of the TDP. See TDP, Section 4.10(d).

E. Final Offer or "Baseball Style" Arbitration

Subject to the limitations on the award amount as provided herein, all binding and non-binding arbitration shall be conducted in the "final offer" format also known as "baseball style" arbitration. If the issue in the arbitration is the liquidated value that should be assigned to an Individual Review claim, then the parties shall submit their arbitration offers in their pre-hearing statements, which shall also serve as each party's demand for arbitration award. If the Trust found the claim invalid in Individual Review, the Trust's arbitration offer may be \$0 or may be higher than \$0. The arbitrator must choose from one of these two arbitration offers in determining the amount of the arbitration award. In no event shall the arbitral award exceed the limits set forth in II.D above. If the claim proceeded directly from Expedited Review to arbitration, the award in arbitration shall be zero or Scheduled Value.

The arbitrator must apply the standards in the TDP and will be bound by any final, non-appealable orders of the Bankruptcy Court or other court of competent jurisdiction interpreting the TDP.

Unless otherwise specified by the TDP, the preponderance of the evidence shall be the applicable evidentiary standard for all arbitrations under the TDP and these ADR procedures.

The Trust and the claimant may also engage in settlement discussions throughout the arbitration process, and, at any time before the arbitrator has issued a decision, may settle any arbitration for an amount higher than the Trust's arbitration offer. Where reasonably practicable, the Trust's settlement offer shall be made on 7 business days' advance notice to Honeywell, provided that in any event the Trust shall notify Honeywell of any settlement within 7 business days thereafter. Settlement discussions, including any offers made and/or discussed in the settlement process, shall not be disclosed to the arbitrator and shall not be used to alter the parties' arbitration offers.

F. Submission of Pre-Hearing Statements

Within twenty (20) days of the appointment of an arbitrator, each party shall submit to the opposing party and to the arbitrator a written statement containing a statement of the issues for arbitral decision and that party's positions and arguments. Each party may then submit a supplement to its position paper following the initial pre-hearing conference to respond to the opposing party's positions and arguments and to address issues raised at the initial pre-hearing conference. Supplements must be sent to the opposing party and to the arbitrator within ten (10) days after the date of the initial pre-hearing conference.

The ADR Administrator will send the claim file, the Certificate of Completeness and the Certificate of Accuracy to the arbitrator.

G. Initial Pre-Hearing Conference, Scheduling Arbitration Hearing

1. Within five (5) business days after the appointment of the arbitrator, the ADR Administrator shall contact the claimant, the arbitrator, and the Trust to schedule the initial pre-hearing conference. The initial pre-hearing conference shall be presided over by the arbitrator and held by telephone conference call within fifteen (15) days after the deadline for the submission of the parties' pre-hearing statements.
2. During the initial pre-hearing conference, the arbitrator shall schedule the date of the arbitration hearing, set time limits, determine the issues to be decided, and complete a Report of Pre-Hearing Conference and Scheduling Order (see Attachment E). If both the Trust and the claimant agree, oral arguments may be waived and the issues submitted for decision on the claim file and written statements. Unless the parties agree to waive oral arguments, the arbitration hearing shall be scheduled within thirty (30) days after the date of the initial pre-hearing conference, or as soon thereafter as the arbitrator can set the hearing. If proceeding with an

arbitration hearing, at the claimant's election, the hearing may be conducted by telephone or video conference call or in person. The hearing shall take place in the city where the claimant resides or a mutually agreed upon location. Prior to or during the initial pre-hearing conference, the claimant will notify the Trust and the arbitrator whether the claimant will testify at the arbitration hearing. The arbitrator shall submit the completed Report of Pre-Hearing Conference and Scheduling Order to the ADR Administrator following the initial pre-hearing conference. Upon receipt, the ADR Administrator will distribute copies of the Report of Pre-Hearing Conference and Scheduling Order to the parties.

3. During the initial pre-hearing conference, the arbitrator shall seek to achieve agreement between the parties on:
 - a. defining and narrowing the issues (through methods including but not limited to stipulation of facts);
 - b. any legal issues; and
 - c. any other matters that will expedite the arbitration proceedings.

If appropriate or if the parties do not agree on the issues, then the arbitrator must issue orders governing the process.

H. No Discovery With Limited Exception

There shall be no discovery except, however, if the Trust commissions an independent medical examination or a third-party medical review upon which the Trust relies in evaluating the claimant's claim, then the claimant may depose the medical professional conducting the review or examination after having a reasonable opportunity to study any report or written opinion generated by the medical professional. The purpose of the arbitration is to resolve differences between the Trust and the claimant based only on the testimony and evidence described in II.L. below.

I. No Record of Proceedings

Other than as provided in II.L.2, there will be no record or transcript of the proceedings.

J. Postponement of Hearing

The arbitrator may postpone any hearing upon the request and demonstration of good cause by a party or upon the arbitrator's own initiative, and shall also grant such postponement when the parties agree.

K. Duration of Hearing

The arbitrator shall complete the hearing within the time limits set at the initial pre-hearing conference. The arbitrator shall enforce the time limits.

L. Procedure at Arbitration Hearing

1. Testimony

The claimant may elect to testify at the hearing. Any such testimony shall be limited to the nature and extent of compensable damages, including physical injuries and exposure evidence. The claimant shall be subject to cross-examination. Any testimony by the claimant shall be under oath or affirmation administered by the arbitrator.

If testimony is presented at the hearing, the Trust may determine, in its sole discretion, that it is necessary to adjourn the arbitration hearing to enable the Trust to prepare for cross-examination or further testimony or submit rebuttal evidence, including testimony. If the Trust so determines that an adjournment is necessary, the hearing shall resume on a date selected by the arbitrator following consultation with the Trust and the claimant. Adjournments shall not be longer than one month, unless the Trust shows good cause for a longer adjournment.

2. Record of Hearing Date and Parties Participating

At the opening of the arbitration hearing, the arbitrator shall make a written record of the time and date of the hearing, and the names of the parties and counsel participating in the hearing.

3. Arbitral Record and Admission of Evidence

a. Rules of Evidence: The arbitrator is not required to apply the rules of evidence used in judicial proceedings; provided, however, that the arbitrator shall apply all relevant rules of privilege to the extent they apply in the Claimant's Jurisdiction. The arbitrator shall determine the applicability of any privilege or immunity and the admissibility, relevance, materiality, and weight of the evidence offered.

b. Admission of Evidence: The evidence that the arbitrator may consider shall be limited to the following:

- (i) The claim file as certified by the Trust pursuant to I.B. above;

- (ii) The Certificate of Completeness and the Certificate of Accuracy;
- (iii) The TDP;
- (iv) Testimony as permitted under these ADR Procedures;
- (v) To the extent the Trust commissions an independent medical evaluation or third-party medical review as provided under II.H above, any report or written opinion generated by the medical professional; and
- (vi) Any additional deposition testimony taken by the claimant as permitted under II.H above, and provided to the Trust, prior to the initiation of arbitration.

c. IR Model: The Trust's Individual Review Model shall not be produced or considered as evidence in any ADR proceeding.

d. Written Statements and Oral Arguments: In addition to the evidence, the arbitrator shall consider the arguments found in the written submissions and oral arguments of counsel. The written statements and the oral arguments shall be limited to the evidence contained and the issues raised in the claim file and at the initial pre-hearing conference. The oral arguments shall be subject to the time limits set by the arbitrator. If both the Trust and the claimant agree, oral arguments may be waived and the issues submitted for decision on the claim file and written statements.

M. Conclusion of Hearing and Submission of Post-Hearing Briefs

After the parties have made their closing arguments, if any, the arbitrator shall declare the hearing closed. Post-hearing statements will be permitted only upon order of the arbitrator and shall be served on the arbitrator no later than ten (10) days after the hearing is closed.

N. Arbitration Decision

1. The arbitrator shall issue a decision no later than fifteen (15) days after the date of the close of the hearing or submission of post-hearing statements, whichever is later.
2. The decision shall decide the issue(s) submitted by the parties and state the amount of the award, if any, in a concise opinion. If the arbitration involves exposure issues, the arbitrator's opinion shall be a reasoned opinion. Otherwise, the parties may jointly stipulate whether the

arbitrator's opinion should be reasoned. If the arbitration does not involve exposure issues and the parties do not jointly stipulate, the arbitrator shall decide whether to issue a reasoned opinion.

3. An arbitrator shall not be permitted to award punitive, exemplary, trebled or other like damages or attorneys' fees, and prejudgment and post-judgment interest and costs shall not be sought or allowed. The award shall dispose of all issues presented to the arbitrator. For binding and non-binding arbitration involving the amount, if any, at which a claim value shall be fixed, the arbitrator must value the claim pursuant to II.E, above.

O. Payment of Award

The Trust will promptly send the claimant the appropriate release following a binding arbitration award or the acceptance of a non-binding arbitration award by the claimant and the Trust. The Trust will then pay the claim based upon the binding or, if accepted by both parties, the non-binding award in accordance with the TDP provisions in effect at the time of payment and the Trust's procedures.

P. Acceptance or Rejection of Non-binding Award

1. Acceptance or Rejection of Non-binding Award

A claimant in a non-binding arbitration proceeding that wishes to accept the award must notify the ADR Administrator within twenty (20) days after the date the non-binding award is issued by the arbitrator. (See Attachment F for a form of notice.) The ADR Administrator shall immediately notify the Trust.

Within seven (7) business days after the notification by the ADR Administrator of acceptance by the claimant, the Trust must either accept or reject the award.

If the claimant has accepted the award and the Trust accepts the award, the ADR Administrator will inform the parties and the Trust will send a release to the claimant for execution.

If the claimant fails to accept the award within twenty (20) days after the date the non-binding award is issued by the arbitrator, the award is deemed rejected.

If the Trust fails to accept the award within seven (7) business days after receipt of the claimant's notice of acceptance, the award is deemed rejected.

2. Procedure Following Rejected Award

If the non-binding award is rejected by the claimant or the Trust, the ADR Administrator will issue a notice of completion of arbitration following which the claimant may file a lawsuit as provided in Section 6.6 of the TDP. (See Attachment F)

III. GENERAL ADR PROCEDURES

A. No Aggregation of Claims

These ADR procedures must be pursued by claimants on an individual basis. The claims of one or more claimants may not be aggregated for purposes of these ADR procedures and each individual claimant's ADR proceeding shall be treated for all purposes as a separate action. This provision is intended to separate claims of different exposed persons and has no effect upon multiple claims brought by a claimant's representative, such as heirs of a deceased worker.

B. No Ex Parte Communication

There shall be no ex parte communications with the arbitrator in any matter.

C. Costs of ADR

1. ADR Expenses

The Trust will pay the fees and reasonable out-of-pocket expenses of the arbitrator and the AAA. Claimants will pay their costs and attorney fees. To the extent the arbitrator's award is equal to or less than the amount initially offered to the claimant by the Trust, the amount to be paid to the claimant by the Trust shall be reduced by the costs incurred by the Trust in connection with the arbitration.

2. No Filing Fee

No filing fee is required of the claimant, unless the Trust with the consent of Honeywell, the TAC and the FCR decides that it would be in the best interests of the Trust and its beneficiaries to adopt such a fee.

D. Waiver of Objection to Procedures Infraction

Either party who continues with the non-binding or binding arbitration proceeding after knowing that any provision or requirement of the applicable procedures has not been complied with, and who fails to state a timely objection in writing to the arbitrator, shall be deemed to have waived the right to object. A timely objection by a claimant or the Trust must be stated in writing and sent to the other party and

to the ADR Administrator with instructions to forward the objection to the arbitrator. Notwithstanding the above, the arbitrator shall never deem any provision of the TDP to be waived.

E. Serving of Notices and Other Papers

Each party to the ADR shall be deemed to have consented that any papers, notices, or processes necessary or proper for the initiation or continuation of ADR proceedings under these procedures may be served upon such party as follows:

1. By regular U.S. mail or overnight courier addressed to such party or their attorneys at their last known address; or
2. By facsimile or e-mail.

F. Exclusion of Liability

The ADR Administrator and arbitrator shall not be liable to any party for any act or omission in connection with any evaluation conducted under these procedures and shall not be subject to subpoena.

G. Application of ADR Procedures

These ADR procedures shall be deemed a part of, and incorporated by reference in, every duly executed ADR process under the TDP and shall be binding on all parties.

H. Arbitrator Immunity

Arbitrators who serve pursuant to these procedures shall have the same immunity as judges for their official acts and shall not be subject to subpoena.

I. Jurisdiction

Any dispute under these procedures shall be subject to the jurisdiction of the Bankruptcy Court.

J. Statement of Confidentiality

1. All ADR proceedings, submissions, and information relating to the proceedings will be confidential, except that it is stipulated that Honeywell's audit rights under Section 4.8(b) of the TDP extend to ADR. Neither party shall disclose the information obtained during the proceedings or the valuation placed on the case by the arbitrator to anyone, or use such information or valuation in any further proceeding, except as provided herein, or as necessary to maintain the Trust's obligation to

report to the Bankruptcy Court, to provide ongoing evaluation by the Trust, Honeywell, the TAC and the FCR, and to demonstrate the binding effect of the arbitration award. The Trust on the one hand, and Honeywell and McDermott, Will & Emery, on the other hand, entered into that certain Confidentiality Agreement effective as of November 13, 2014, and the terms of the Confidentiality Agreement shall apply to all ADR proceedings. Any document prepared by a party, attorney or other participant in anticipation of the ADR is privileged and shall not be disclosed to any court or arbitrator or construed for any purpose as an admission against interest.

2. All ADR proceedings shall be deemed a settlement conference pursuant to Rule 408 of the Federal Rules of Evidence. However, the nature or amount of an award may be used for purposes of showing accord and satisfaction or res judicata.

K. Amendments

Except as otherwise ruled by the Bankruptcy Court, these procedures, as they may from time to time be amended by the Trustees, with the consent of the TAC, the FCR, and Honeywell, will be binding on all parties in the form in which they are in force on the date the claimant signs the Demand for ADR.

L. Time Limits

The time limits included in these procedures are to be strictly enforced. Any time limit set forth herein may be extended by agreement of the parties or by the arbitrator for cause. In computing any time period specified in these ADR procedures, if the end of the period would end on a Saturday, Sunday, or legal holiday,¹ the period continues to run until the end of the next day that is not a Saturday, Sunday, or legal holiday.

Unless the deadlines have been extended by agreement or for cause, promptly after a claimant fails to comply with a deadline the ADR Administrator shall send the claimant written notice that the Demand for ADR is deemed withdrawn and that the final offer of the Trust as stated in the Notice of Completion of Individual Review shall be deemed a settlement of the claim.

- M.** Nothing contained herein waives or otherwise limits or affects any right of the Trust, Honeywell, the TAC and/or FCR under the TDP or Trust Agreement, including the right to challenge and/or seek relief from these ADR Procedures.

¹ As used in these ADR procedures, "legal holiday" means (a) the day set aside by statute for observing New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, or Christmas Day, and (b) any day declared a holiday by the President or Congress.
