**ANNUAL REPORT, FINANCIAL STATEMENTS AND RESULTS OF OPERATIONS
OF THE NORTH AMERICAN REFRACTORIES COMPANY ASBESTOS PERSONAL
INJURY SETTLEMENT TRUST FOR FISCAL YEAR ENDED DECEMBER 31, 2023**

The Hon. Ken M. Kawaichi, Ret., Richard B. Schiro, and Mark M. Gleason (collectively, the “Trustees”), as Trustees of the North American Refractories Company Asbestos Personal Injury Settlement Trust (the “Trust”), submit this Annual Report, Financial Statements and Results of Operations for Fiscal Year Ended December 31, 2023 (the “Annual Report”), pursuant to the Third Amended Plan of Reorganization of North American Refractories, Company, *et al.*, dated December 28, 2005 (the “Plan”) and the Second Amended and Restated North American Refractories Company Asbestos Personal Injury Settlement Trust Agreement (the “Trust Agreement”).

I. General

On January 4, 2002, North American Refractories Company (“NARCO”) and its affiliated debtors (collectively, the “Debtors”) filed their petitions for relief under Chapter 11 of the United States Bankruptcy Code. The Debtors’ bankruptcy cases were jointly administered as Case No. 02-20198. At the time the Debtors filed their petitions for relief, NARCO and Honeywell International Inc. (“Honeywell”) had been named as defendants in personal injury and wrongful death actions seeking recovery for damages caused by the presence of, or exposure to, asbestos or asbestos-containing NARCO Product Line products. By order entered on

November 13, 2007, the United States Bankruptcy Court for the Western District of Pennsylvania (the “Bankruptcy Court”) confirmed the Plan (the “Confirmation Order”), and on July 25, 2008, the United States District Court for the Western District of Pennsylvania entered an order affirming the Confirmation Order and the NARCO Channeling Injunction.

The Plan provides for the establishment of the Trust to pay all valid NARCO Asbestos Trust Claims pursuant to the North American Refractories Company Asbestos Personal Injury Settlement Trust Distribution Procedures (as may be amended from time to time, the “TDP”) in settlement and satisfaction of the liabilities of the Debtors and Honeywell for all NARCO Asbestos Trust Claims.

On April 30, 2013, the Effective Date¹ of the Plan, the Trust was created in accordance with the First Amended North American Refractories Company Asbestos Personal Injury Settlement Trust Agreement. Pursuant to the Plan, the Trust was funded by an initial cash contribution by Honeywell, by stock in ANH Refractories Company (n/k/a HarbisonWalker International) (“HWI”), and by the obligation of Honeywell to make future payments.

On November 20, 2022, pursuant to the terms of the Amended and Restated Buyout Agreement (the “Buyout Agreement”) entered into between the Trust and Honeywell, the terms of which were agreed to by the TAC and the FCR, and approved by the Bankruptcy Court in its Order of December 8, 2022 (the “Buyout Order”), Honeywell agreed to pay to the Trust, and the Trust agreed to accept from Honeywell, a lump sum, one-time payment in the amount of \$1,325,000,000 (subject to adjustment in accordance with the terms of the Buyout Agreement), in exchange for, among other things, the release of Honeywell from all further and future monetary and/or other obligations of any kind (except as, and solely to the extent, set forth in the

¹ Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Plan or the Trust Agreement.

Buyout Agreement) to the Trust, including but not limited to the Honeywell Obligations (as defined in the Buyout Agreement). On January 30, 2023, Honeywell paid \$1,327,153,783 to the Trust in conjunction with closing the Buyout Agreement.

In connection with the Buyout, the Bankruptcy Court also approved the Third Amended Trust Distribution Procedures and Second Amended and Restated Trust Agreement (referred to herein as the “Trust Agreement”).

Under the Trust Agreement, the NARCO Trust Advisory Committee (the “TAC”) represents all holders of present NARCO Asbestos Trust Claims, and the NARCO Asbestos Future Claimants Representative (the “FCR”) represents the holders of NARCO Asbestos Trust Claims yet to accrue. *See* Trust Agreement, Art. 6.1 and 7.1. Pursuant to the Trust Agreement, John A. Baden, Perry Weitz, Steven Kazan, Steven T. Baron, Bruce E. Mattock, and Robert J. Cooney Jr. are the members of the TAC, and Lawrence Fitzpatrick is the FCR.

The Trust Agreement, at Article 3.2(f), provides that the “Trustees shall meet with the [TAC] and/or the [FCR] ... no less frequently than quarterly at the discretion of the Trustees or as requested by the [TAC] or the [FCR].” The Trust’s Amended and Restated Bylaws specify that the foregoing requirement will be satisfied by the Trustees meeting at least four times each calendar year with the TAC and the FCR. In 2023, the Trustees held Trust meetings with the TAC and the FCR on March 16, 2023; June 15, 2023; September 14, 2023; and December 14, 2023.

The Trustees generally held weekly executive session meetings throughout the year, usually by telephone.

Effective May 1, 2022, the Trustees named Mark M. Gleason, Managing Trustee for a one-year term ending on April 30, 2023. Effective May 1, 2023, the Trustees named Ken Kawaichi Managing Trustee for a one-year term.

In 2023, the principal office of the Trust was located at 1100 N. Market Street, 4th Floor, Wilmington, Delaware 19890, and its administrative office was at c/o Lain Faulkner & Co., Attention: Brian Crisp, 400 N. Saint Paul, Suite 600, Dallas, Texas 75201.

In 2023, the Trustees entered into or continued service agreements with the following: Stutzman, Bromberg, Esserman & Plifka, A Professional Corporation (general counsel); Willkie Farr & Gallagher LLP (counsel to the Trust); Bernstein Burkley (W.D. Pa counsel); Lain Faulkner & Co., P.C. (accountants); Morrison & Morrison, Ltd. (tax advisors); BDO USA, LLP (auditor); Gleason & Associates, P.C. (consultants);² Claims Resolution Management Corporation (claims processing); Prof. Abraham J. Wyner (consultant); Mazars USA LLP (claims auditing services); ExamWorks Compliance Solutions, LLC (MMSEA reporting); AON Risk Services Central, Inc. (insurance broker); Wells Fargo Bank, N.A. (banking); Merrill Lynch, Pierce, Fenner & Smith Incorporated and its affiliated company, Managed Account Advisors LLC (investment consultant); JP Morgan Private Bank (investment advisor and custodian); and Veristar LLC (document retention services).

The TAC retained Caplin & Drysdale as its counsel. The FCR retained Young Conaway Stargatt & Taylor, LLP as his counsel.

The Trust obtained liability insurance for the Trustees and indemnified persons as provided under Section 5.6 of the Trust Agreement. In addition, the Trust obtained cyber security protection insurance.

² Trustee Gleason abstains from reviewing and approving invoices from Gleason & Associates.

II. NARCO Asbestos Trust Claims³

The TDP and claims materials for all NARCO Asbestos Trust Claims, including both Pre-Established Claims (as that term is defined in the TDP) and Annual Contribution Claims,⁴ consisting of claim forms, claim form instructions, and release forms, may be accessed via the Trust's website at www.narcoasbestostrust.org.

The Initial Claims Filing Date (as that term is defined in the TDP) was April 1, 2014.

Article 3.3(b) of the Trust Agreement requires the Trustees to file with the Bankruptcy Court a report containing a summary regarding the number and types of claims disposed of during the period covered by the financial statements.

In 2023, the Trust paid 277 Pre-Established Claims totaling \$1,366,200.⁵

In 2023, the Trust paid 3,397 Annual Contribution Claims totaling \$91,597,480.⁶

Pursuant to Section 6.10 of the TDP, the Trust reports the claims by Disease Levels that have been resolved and paid⁷ by the Trust under Expedited Review, Individual Review, and arbitration from inception of the Trust through December 31, 2023:

³ Claims information reported herein may differ from the audited financial statements due to the timing of payments.

⁴ Annual Contribution Claims refer to NARCO Asbestos Trust Claims other than Pre-Established Claims.

⁵ Dollar figure is net of refunds.

⁶ Dollar figure is net of refunds.

⁷ As of December 31, 2023, no claims have been resolved by trial. Pre-Established Claims liquidated by Honeywell before April 30, 2013, and not by the Trust, although paid by the Trust, are not included in the TDP Sec. 6.10 report of claims resolved by the Trust. The Trust notes, however, that from inception of the Trust through the period ending December 31, 2023, the Trust has paid \$128,487,250 for Pre-Established Claims liquidated by Honeywell.

Disease Level	Number of Claims			Total Amounts Paid
	Expedited Review	Individual Review	Arbitration	
Other Asbestos Disease (Level I)	11,856	2,462	1	\$17,177,910
Asbestosis/Pleural Disease (Level II)	9,219	1,903		\$83,323,222
Severe Asbestosis (Level III)	736	240		\$25,546,490
Other Cancer (Level IV)	1,416	222		\$17,281,550
Lung Cancer 2 (Level V)	0	570	1	\$9,764,419
Lung Cancer 1 (Level VI)	3,205	532	2	\$82,447,138
Mesothelioma (Level VII)	3,094	598	5	\$353,780,887
TOTAL	29,526	6,527	9	\$589,321,616

III. Compensation and Expenses of Trustees, TAC and FCR⁸

A. Trustees

Under Article 5.5(c) of the Trust Agreement, the Trust reports to the Bankruptcy Court the amount of compensation and expenses paid to the Trustees. The Trustees received compensation and reimbursement for out-of-pocket costs and expenses during the fiscal year ending December 31, 2023, as follows:

Trustees (3)	\$1,670,663
Delaware Trustee	\$4,639

⁸ The Trust’s audited financial statements and the compensation and expenses reported herein are presented on an accrual basis.

B. TAC

Under Article 6.6 of the Trust Agreement, the Trust reports to the Bankruptcy Court the amount of compensation and expenses paid to the TAC. The TAC received compensation and reimbursement for out-of-pocket expenses during the fiscal year ending December 31, 2023, as follows:

TAC	\$0
------------	-----

C. FCR

Under Article 7.5 of the Trust Agreement, the Trust reports to the Bankruptcy Court the amount of compensation and expenses paid to the FCR. The FCR received compensation and reimbursement for out-of-pocket expenses during the fiscal year ending December 31, 2023, as follows:

FCR	\$42,103
------------	----------

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

V. Financial Statements

A copy of the Trust's audited financial statements for the year ending December 31, 2023, is attached hereto as Exhibit "A-1."

Independent Auditor's Report

Trustees
North American Refractories Company Asbestos Personal Injury Settlement Trust
Dallas, Texas

Opinion

We have audited the accompanying special-purpose financial statements of the North American Refractories Company Asbestos Personal Injury Settlement Trust (the "Trust") which comprise the special-purpose statements of assets, liabilities and net claimants' equity as of December 31, 2023 and 2022, and the related special-purpose statements of changes in net claimants' equity and special-purpose statements of cash flows for the years then ended and the related notes to the special-purpose financial statements.

In our opinion, the accompanying special-purpose financial statements present fairly, in all material respects, the financial position of the Trust as of December 31, 2023 and 2022, and the results of its changes in net claimants' equity and its cash flows for the years then ended, in accordance with the basis of accounting described in Note 2 to the special-purpose financial statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Special-Purpose Financial Statements* section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the special-purpose financial statements which describes the basis of accounting. As described in Note 2, these special-purpose financial statements were prepared on a special-purpose basis of accounting which is the basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter. The special-purpose basis of accounting has been used to communicate the amount of net claimants' equity presently available to fund current and future claims.

Responsibilities of Management for the Special-Purpose Financial Statements

Management is responsible for the preparation and fair presentation of the special-purpose financial statements in accordance with the basis of accounting described in Note 2 to the special-purpose financial statements, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of special-purpose financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the special-purpose financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern within one year after the date that the special-purpose financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Special-Purpose Financial Statements

Our objectives are to obtain reasonable assurance about whether the special-purpose financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the special-purpose financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the special-purpose financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the special-purpose financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the special-purpose financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Restriction of Use

Our report is intended solely for the information and use of the Trust and is not intended to be and should not be used by anyone other than the specified party. This restriction is not intended to limit the distribution of this report which, upon filing with the United States Bankruptcy Court for the Western District of Pennsylvania, is a matter of public record.

Other Information Included in the Annual Report

Management is responsible for the other information included in the annual report. The other information comprises the annual report and account of the Trust for the year ended December 31, 2023, but does not include the special-purpose financial statements and our auditor's report thereon. Our opinion on the special-purpose financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the special-purpose financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the special-purpose financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

**North American Refractories Company
Asbestos Personal Injury Settlement Trust**

Notes to the Special-Purpose Financial Statements

1. Description and Funding of the Trust

The North American Refractories Company Asbestos Personal Injury Settlement Trust (the “Trust”), organized pursuant to the laws of the State of Delaware, was established pursuant to the Third Amended Plan of Reorganization of North American Refractories Company, et al. dated December 28, 2005 (the “Plan”) and became effective on April 30, 2013. The Trust was formed to assume all liabilities of Honeywell International, Inc. (“Honeywell”), any Honeywell Affiliate, North American Refractories Company (“NARCO”) and its affiliates with respect to any and all NARCO Asbestos Trust Claims, (whether now existing at the effective date or arising thereafter) and to use the Trust assets and income to pay holders of valid claims in accordance with the First Amended North American Refractories Company Asbestos Personal Injury Settlement Trust Agreement (the “Trust Agreement”) and the First Amended North American Refractories Company Asbestos Personal Injury Settlement Trust Distribution Procedures. The Trust’s funding is dedicated solely to the settlement of asbestos personal injury claims and the related costs thereto, as defined in the Plan. The Trust’s principal office is in Wilmington, Delaware and its administrative office is located in Dallas, Texas. Defined terms have the meanings assigned to them in the Plan.

The Trust was initially funded with cash contributions from Honeywell in the amount of \$7,353,880 (an amount estimated to be sufficient to pay all pre-effective date expenses as well as the Trust’s operating expenses until December 31, 2013) and a 79% interest in the equity of Post-Effective Harbison Walker International (HWI), formerly known as ANH Refractories Company, valued at \$370,194,000.

In May and October 2022, HWI paid dividends to its shareholders totaling \$39.5 million paid to the Trust. Prior to the Buyout discussed below, the use of any dividends paid by HWI and any earnings therefrom was restricted to payment of approved Annual Contribution Claims as defined in the Trust Agreement.

On November 20, 2022, the Trust, Honeywell, the NARCO Asbestos Trust Advisory Committee, and the NARCO Asbestos Future Claimants’ Representative entered into an Amended and Restated Buyout Agreement (“Amended Buyout Agreement”) under which Honeywell agreed to make a lump-sum cash payment of \$1.325 billion to the Trust, subject to certain adjustments set forth in the Amended Buyout Agreement, in exchange for (a) the elimination of, and Honeywell’s full release from, any future obligations to fund (i) claims against the Trust, and (ii) the Trust’s annual operating expenses, and (b) the net realized value of the Trust’s interest in HWI. On November 21, 2022, the Trust filed a motion with the Western District of Pennsylvania Bankruptcy Court (“Bankruptcy Court”) to approve the Amended Buyout Agreement (“Buyout Motion”), and on December 8, 2022, the Bankruptcy Court entered an order approving the Buyout Motion. On January 30, 2023, Honeywell paid \$1,327,153,783 to the Trust in conjunction with closing the Amended Buyout Agreement (“Buyout”).

In connection with the Buyout Motion, the Bankruptcy Court also approved the Third Amended Trust Distribution Procedures and Second Amended and Restated Trust Agreement. Prior to the Buyout, all assets of the Trust were segregated into multiple funds, each restricted to be used to fund either operating expenses or claims payments. Following the Buyout, all assets of the Trust are no longer restricted for specific use.

**North American Refractories Company
Asbestos Personal Injury Settlement Trust**

Notes to the Special-Purpose Financial Statements

Claims are designated in the Trust Agreement as either Annual Contribution (“AC”) or Pre-Established (“PE”) claims. Prior to the Buyout, on a quarterly basis, Honeywell transferred to the PE Claims Fund an amount of cash equal to the amount of PE claims in the PE Claims Fund FIFO Payment Queue. Also, on a quarterly basis, Honeywell transferred to the AC Claims Fund an amount of cash equal to the amount of AC claims in the AC Claims Fund FIFO Payment Queue after application of funds from the Trust’s holdings to pay AC Claims, as provided in the Trust Agreement. Honeywell’s obligation to make quarterly contributions to the Trust’s AC Claims Fund was subject to the annual caps or limitations as stated in § 2.3(c)(i)(A)(I) of the Trust Agreement. There were no caps or limitations on Honeywell’s obligations to contribute to the PE Claims Fund amounts necessary to pay all approved claims in the PE Claims Fund FIFO Payment Queue.

Pursuant to the Trust’s pre-Buyout operations, the Trust continues to maintain three cash accounts. The Operating Expense account is maintained to pay only administrative expenses of the Trust. Prior to the Buyout, Honeywell was required to transfer to the Operating Expense account funds equal to 25% of the Trust’s annual administrative budget on a quarterly basis. The AC Claim Distribution account is maintained to pay only AC claims. The PE Claim Distribution account is maintained to pay only PE claims.

2. Significant Accounting Policies

Basis of Presentation

The Trust’s financial statements are prepared using special-purpose accounting methods adopted by the Trustees, which differ from accounting principles generally accepted in the United States of America (GAAP). The special-purpose accounting methods were adopted in order to communicate to the beneficiaries of the Trust the net claimants’ equity and related operating expenses of the Trust. Since the accompanying special-purpose financial statements and transactions are not based upon GAAP, accounting treatment by other parties for these same transactions may differ as to timing and amount. The special-purpose accounting methods include the following:

- a. Prior to the Buyout described in Note 1, funding received from Honeywell for operating expenses and claim payments were recorded as contributions directly to net claimants’ equity when the cash was received or when the assets were transferred. These funds did not represent income to the Trust. Under GAAP, these funds would be recorded as income to the Trust in the period that the funds were assigned to the Trust, could be reasonably estimated, and collectability was assured.
- b. The Trust’s investments are recorded at fair value. Net realized and unrealized gains or (losses) on investments are recorded as additions or (deductions) in the special-purpose statements of changes in net claimants’ equity.
- c. For special-purpose accounting, a claim is deemed a liability of the Trust that reduces net claimants’ equity when the claim is entered in the Payment Queue(s). The Trust reduces net claimants’ equity by the amount of the claim when entered in the Payment Queue. Under GAAP, a liability for claims would be recorded based on offers extended and an estimate of the liability would be recorded for remaining claims.

**North American Refractories Company
Asbestos Personal Injury Settlement Trust**

Notes to the Special-Purpose Financial Statements

- d. Payments for services to be received over an extended period in the future are expensed as paid because these amounts are no longer available for the payment of claims. Under GAAP, an asset would be recorded and amortized over the period in which the related benefits are received.

Use of Estimates

The preparation of special-purpose financial statements in conformity with the special-purpose accounting methods described above requires the Trust to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and the disclosure of contingent assets and liabilities at the date of the special-purpose financial statements, as well as the reported amounts of additions and deductions to net claimants' equity during the reporting period. Actual results could differ from those estimates and such differences could have a material effect on net claimants' equity.

Cash, Cash Equivalents, Investment Securities, and Investment in HWI

The Trust considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Prior to the Buyout discussed in Note 1, the PE Claims Distribution account, AC Claims Distribution account and the Operating Expense account were to be used only for designated purposes. Following the Buyout, all assets of the Trust are no longer restricted for specific use.

Investment securities are stated at fair value with changes in unrealized gains and losses recorded in the current period. Investment income is recognized when earned. Any unpaid interest and dividend income is recorded as accrued interest and dividends receivable. Realized gains and losses on sales are determined using the specific identification method. Prior to the Buyout discussed in Note 1, proceeds from sales and maturities of investment securities were restricted to use of payment of AC Claims. Following the Buyout, there is no restriction on the use of proceeds from the sales and maturities of investment securities.

Prior to the sale discussed in Note 4, the fair value of the investment in HWI was determined annually by an independent valuation firm that was ultimately approved by the Trustees. Prior to the Buyout described in Note 1, proceeds from sale of the Trust's ownership interest (including any cash dividends) were restricted for payment of AC Claims. As of December 31, 2022, the fair value of the investment in HWI was based on the total consideration realized in connection with the sale to a third party in February 2023.

Accrued Expenses and Accounts Payable

Accrued expenses and accounts payable consist of outstanding invoices associated with managing the Trust.

Accrued Claims

Accrued claims consist of certain claims that are settled but unpaid at December 31. A settled claim is a claim with a liquidated value determined by the Trustees that has been accepted by the claimant with an executed release submitted to the Trust and entered in the applicable payment queue. An unpaid settled claim is a claim that has not yet been paid.

**North American Refractories Company
Asbestos Personal Injury Settlement Trust**

Notes to the Special-Purpose Financial Statements

Operating Expenses

Operating expenses of the Trust are recorded as deductions on the special-purpose statements of changes in net claimants' equity in the period in which the invoices are received and approved.

Income Taxes

The Trust is classified as a Qualified Settlement Fund pursuant to the Internal Revenue Code and Regulations (the Code) thereunder. As a result, the Trust is subject to federal income taxes based on modified gross income, as defined by the Code. No provision for state income taxes was recorded because, as a Delaware trust, the Trust has no state income tax return filing obligation and is not obligated to pay state income taxes.

Federal income taxes are accounted for under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the special-purpose financial statement carrying amount of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

The Trust is generally no longer subject to income tax examinations by the Internal Revenue Service for the years ended December 31, 2019 and prior.

Risks and Uncertainties

The Trust's assets that are exposed to credit risk consist of cash and cash equivalents. Cash and cash equivalents are maintained at financial institutions and, at times, balances may exceed federally insured limits. The Trust has never experienced any losses related to these balances. Amounts on deposit in excess of federally insured limits at December 31, 2023 approximate \$102 million.

The Trust invests in a professionally managed investment portfolio that may contain equities, mutual funds, bonds and term deposits. Such investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities (see Note 5), it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could affect the Trust's account balance and the amounts reported in the special-purpose statements of assets, liabilities and net claimants' equity.

Reclassification

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of operations.

**North American Refractories Company
Asbestos Personal Injury Settlement Trust**

Notes to the Special-Purpose Financial Statements

3. Cash, Cash Equivalents and Investment Securities

Cash, cash equivalents and investment securities consist of the following at December 31, 2023:

	2023		
	Cost	Fair Value	Unrealized Gain
Cash and cash equivalents	\$ 103,506,225	\$ 103,506,225	-
Equity securities	315,625,462	338,754,058	23,128,596
Fixed income securities	874,963,544	897,332,833	22,369,289
Total cash, cash equivalents and investment securities	\$ 1,294,095,231	\$ 1,339,593,116	\$ 45,497,885

Cash, cash equivalents and investment securities consist of the following at December 31, 2022:

	2022		
	Cost	Fair Value	Unrealized Loss
Cash and cash equivalents	\$ 10,863,289	\$ 10,863,289	-
Mutual funds	4,505,456	4,280,699	(224,757)
Total cash, cash equivalents and investment securities	\$ 15,368,745	\$ 15,143,988	(224,757)

4. Investment in HWI

In February 2023, HWI was acquired by a third party and the Trust received sale proceeds of approximately \$270,118,000 and a pre-closing dividend from HWI of \$25,833,000. In June 2023, certain post-closing adjustments were determined, and the Trust received approximately \$30,845,000 of additional sales proceeds. In July and September 2023, the Trust received approximately \$10,000 and \$272,000, respectively, of additional sales proceeds. Under the Amended Buyout Agreement described in Note 1, net proceeds from the disposition of the Trust's interest in HWI will be paid to Honeywell. After deducting anticipated taxes and certain expenses, during 2023, the Trust remitted approximately \$275,160,000 of the HWI pre-closing dividend and sale proceeds received to date to Honeywell. In March 2024, the Trust received approximately \$5,359,000 of additional sales proceeds, and after deducting anticipated taxes and certain expenses, remitted approximately \$3,372,000 to Honeywell in April 2024.

In connection with the sale of HWI, the Trust was appointed as the Stockholder Representative under the merger agreement. In connection with its role as Stockholder Representative, the Trust received \$1,000,000 to be held in an account established by or on behalf of the HWI Stockholders for the satisfaction of the Stockholder Representative's and the HWI Stockholders' expenses and liabilities as directed by the Stockholder Representative (on behalf of the HWI Stockholders) in accordance with the merger agreement. Once that role is completed, any excess funds will be distributed to the former stockholders of HWI, including the Trust for the benefit of Honeywell.

**North American Refractories Company
Asbestos Personal Injury Settlement Trust**

Notes to the Special-Purpose Financial Statements

Accordingly, the Trust has recorded the receipt of the Stockholder Representative Fund and a corresponding liability in the amount of \$1,000,000.

5. Fair Value Measurements

The Trust's investments are recorded at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability between market participants in an orderly transaction on the measurement date. The market in which the reporting entity would sell the asset or transfer the liability with the greatest volume and level of activity for the asset or liability is known as the principal market. When no principal market exists, the most advantageous market is used. This is the market in which the reporting entity would sell the asset or transfer the liability with the price that maximizes the amount that would be received or minimizes the amount that would be paid. Fair value is based on assumptions market participants would make in pricing the asset or liability. Generally, fair value is based on observable quoted market prices or derived from observable market data when such market prices or data are available. When such prices or inputs are not available, the Trust would use valuation models.

The Trust's assets recorded at fair value on a recurring basis are categorized based on the priority of the inputs used to measure fair value. The inputs used in measuring fair value are categorized into three levels, as follows:

- **Level 1** - Inputs that are based upon quoted prices for identical instruments traded in active markets.
- **Level 2** - Inputs that are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar investments in markets that are not active, or models based on valuation techniques for which all significant assumptions are observable in the market, or can be corroborated by, observable market data for substantially the full term of the investment.
- **Level 3** - Inputs that are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

The following section describes the valuation methodologies the Trust uses to measure its financial assets at fair value:

Level 1: Equities and mutual funds are valued at the closing price reported on the active market on which the individual securities are traded.

Level 2: Bonds are valued using a metrics system provided by the pricing vendors.

Level 3: The fair value measurement of the investment in HWI as of December 31, 2022, was adjusted to reflect fair value as measured by the total consideration realized in connection with the sale to a third party, which closed in February 2023. Prior to December 31, 2022, the investment in HWI was valued based upon a valuation prepared by an independent valuation firm. The valuation used model-based calculations based on market-based inputs, including but not limited to, discounted cash flow analysis, valuation multiples, implied enterprise values, market

**North American Refractories Company
Asbestos Personal Injury Settlement Trust**

Notes to the Special-Purpose Financial Statements

price data of stocks of companies engaged in the same or similar line of business as that of HWI, and the correlation of all these inputs.

Investments measured at fair value on a recurring basis are summarized below:

<i>Description</i>	As of December 31, 2023			
	Assets Measured At Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Cash and cash equivalents	\$ 103,506,225	\$ 103,506,225	\$ -	\$ -
Equity securities	338,754,058	338,754,058	-	-
Fixed income securities	897,332,833	-	897,332,833	-
Total assets at fair value	\$ 1,339,593,116	\$ 442,260,283	\$ 897,332,833	\$ -

<i>Description</i>	As of December 31, 2022			
	Assets Measured At Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Cash and cash equivalents	\$ 10,863,289	\$ 10,863,289	\$ -	\$ -
Mutual funds	4,280,699	4,280,699	-	-
Investment in HWI	327,400,000	-	-	327,400,000
Total assets at fair value	\$ 342,543,988	\$ 15,143,988	\$ -	\$ 327,400,000

Level 3 gains and losses

The following table sets forth a summary of changes in the fair value of the Trust's investment in HWI (Level 3 assets) for the years ended December 31, 2023 and 2022:

	Fair Value Measurements Using Significant Unobservable Inputs (Level 3)	
	2023	2022
Balance, at the beginning of the year	\$ 327,400,000	\$ 561,300,000
Sale proceeds	(327,076,544)	-
Sale expenses	(323,456)	-
Net change in HWI valuation	-	(233,900,000)
Balance, at the end of the year	\$ -	\$ 327,400,000

**North American Refractories Company
Asbestos Personal Injury Settlement Trust**

Notes to the Special-Purpose Financial Statements

6. Income Taxes

During the years ended December 31, 2023 and 2022, the Trust generated taxable income (losses) of approximately \$178,900,000 and \$(562,000), respectively. During the year ended December 31, 2023, the Trust utilized net operating loss carryforwards and net capital loss carryforwards totaling \$72,246,759 and \$417,201, respectively, to offset taxable income. There are no net operating loss carryforwards or net capital loss carryforwards available at December 31, 2023 to offset future taxable income of the Trust.

Deferred income taxes result from differences between the special-purpose financial statement and tax reporting of additions and deductions to net assets. The entire amount of the deferred tax liability reported as of December 31, 2022 is attributed to the sale and appreciation of the Trust's investment in HWI and is calculated based on the cumulative unrealized gains times the applicable tax rate of 37%.

In accordance with the Amended Buyout Agreement, the Trust's tax liabilities related to the sale of HWI, described in Note 4, was paid from sale proceeds. During the year ended December 31, 2023, the Trust made estimated tax payments totaling \$38,500,000.

7. Net Claimants' Equity

The contributions to and deductions from net claimants' equity for the years ended December 31, 2023 and 2022 are comprised of the following:

	2023	2022
<hr/>		
Contributions from Honeywell:		
Cash for operations	\$ -	\$ 30,071,287
Cash for pre-established claims	-	840,086
Buyout funding from Honeywell	1,327,153,783	-
Sale of investment in HWI	(263,224,100)	-
Net operating results	86,225,518	(561,621)
Net change in HWI stock valuation, net of tax	-	(146,603,530)
Distributions from net claimants' equity	(92,816,462)	(69,011,410)
<hr/>		
Change in net claimants' equity	\$1,057,338,739	\$ (185,265,188)
<hr/>		

8. Distributions from Net Claimants' Equity

For the years ended December 31, 2023 and 2022, the Trust settled and paid 3,392 and 2,345 AC claims totaling \$90,578,726 and \$68,373,435, respectively. In addition, the Trust settled and paid 279 and 255 PE claims totaling \$1,366,200 and \$871,536, respectively. For the year ended December 31, 2023, the Trust settled 293 AC claims totaling \$8,428,600 and 4 PE claims totaling \$25,200 which were accrued as of December 31, 2023 and were paid subsequent to year end.

9. Contingent Liabilities

The Plan Documents (as defined in the Plan) subject the Trust to certain reimbursement and indemnification obligations that may result in future claims against the Trust.

**North American Refractories Company
Asbestos Personal Injury Settlement Trust**

Notes to the Special-Purpose Financial Statements

The probability of such claims cannot be reasonably determined. Accordingly, no associated liability has been recorded in the accompanying special-purpose financial statements. Such claims, if any, are not expected to be material.

10. Liability for Asbestos Claims

Personal injury claims that were settled, but unpaid as of December 31, 2023 and 2022, have been accrued and included in accrued claims. These amounts have been included in distributions from net claimants' equity in the accompanying special-purpose statements of changes in net claimants' equity for the payment of claims for the year ended December 31, 2023 and 2022.

The ultimate number of Asbestos PI Trust Claims to be filed and the liability for all such claims are not determinable at this time. The net claimants' equity at December 31, 2023 and 2022 represents funding available for Asbestos PI Trust Claims for which no fixed liability has yet been established. However, prior to the Buyout described in Note 1, Honeywell was required to make contributions to the Trust to pay claims as provided in the Trust Agreement. Subsequent to the Buyout, all future claims and operating expenses of the Trust will be funded from the Buyout proceeds and income derived from these proceeds.

11. Related Party Transactions

Pursuant to Sections 3.1(c)(x) and 5.8 of the Trust Agreement, the Trust has engaged individuals at Gleason & Associates, P.C. ("Gleason") for claims consulting services. Trustee Gleason is a principal of Gleason. Pursuant to Trust policy, Trustee Gleason abstained from the decision to engage the individuals at Gleason, and also abstains from reviewing and approving invoices from Gleason. During the years ended December 31, 2023 and 2022, the Trust incurred \$1,417,591 and \$1,750,610, respectively, of consulting expenses with this related party, which is included within operating expenses in the accompanying special-purpose statements of changes in net claimants' equity, and in consulting expenses within the supplemental schedules of operating expenses.

12. Subsequent Events

The Trust has evaluated its December 31, 2023 special-purpose financial statements for subsequent events through April 24, 2024, the date the special-purpose financial statements were available to be issued. The Trust is not aware of any subsequent events which would require recognition or disclosure in the special-purpose financial statements, except as described in Note 4.

Independent Auditor's Report on Supplementary Information

Trustees

North American Refractories Company Asbestos Personal Injury Settlement Trust
Dallas, Texas

Our audit of the special-purpose financial statements included in the preceding section of this report was conducted for the purpose of forming an opinion on those special-purpose statements as a whole. The supplementary information presented in the following section of this report is presented for purposes of additional analysis and is not a required part of those special-purpose financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the special-purpose financial statements. The information has been subjected to the auditing procedures applied in the audit of the special-purpose financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the special-purpose financial statements or to the special-purpose financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the special-purpose financial statements as a whole.
