

SHOOK & FLETCHER ASBESTOS SETTLEMENT TRUST

FILING FEE POLICY EFFECTIVE JULY 1, 2023

Section 6.5 of the Claims Resolution Procedures (the CRP) for the Shook & Fletcher Asbestos Settlement Trust (the Trust) provides, in relevant part:

The Trustee shall have the discretion to determine, with the consent of the TAC and Futures Representative, (b) whether to require (and, if required, the amount of) any filing fee for any Trust Claim.

The Trustee has determined, with the consent of the TAC and the Futures Representative, to require a filing fee of \$75 for all claims submitted to the Trust on or after July 1, 2023.

Claims submitted to the Trust, whether electronically or in hard copy, will not be deemed filed within the meaning of the CRP until the required filing fee is received by the Trust. A claim must be filed with the Trust to, among other things, be assigned a position in the FIFO queue, be reviewed by the Trust, and toll the deadline set out in CRP section 5.2(b). Accordingly, any claim submitted to the Trust, whether electronically or in hard copy, will not be placed in any FIFO queue and will not be reviewed by the Trust, and any statute of limitations, statute of repose or other filing deadline applicable to such claim, including the three-year filing deadline of CRP section 5.2(b), will not be tolled, until the Trust actually receives the required filing fee for such claim.

This Filing Fee Policy applies to all claims submitted on or after July 1, 2023. The filing fee required under this Policy is in addition to the IR Fee required to be paid by claimants seeking individual review of their claims, as provided in CRP section 5.2.f(ii).

This Filing Fee Policy does not in any way modify the CRP or any provisions or requirements thereof.
